RE: CONSTRUCTION OF ONE SCHOOL BLOCK AND TWO  
TEACHERS HOUSES

Looking at the lack of School blocks and teachers' houses at Chipungu Primary School, the Community has come up with a plan to construct one School Block and Teacher's houses. The construction will be carried out by the community's own resources and an aid from well wishers.

The Community is therefore requesting your approval for the project which will run for one year.

The community will be grateful for your immediate response.

Yours faithfully,  
Evans Phululu Nyirenda (for the Chairman)
