I wish to report that the School Management Committee, PTA and community members have agreed to contribute 25% to Grace to their learners who will be selected to go to Community Day Secondary Schools. They have agreed that out of the number the learners will be selected the number should be 20 out of the number in which the fees is about K2500.00 per term, which is K7500.00 for three terms.

In Malawi, the secondary schools run in this way:

(a) High Secondary Schools
(Boarding school)
fees = K2500.00

(b) Government SecSch
fees = K10000.00

(c) Day Community Secondary Schools
fees = K2500.00
